

How to Use PALS Quick Checks

PALS Quick Checks are brief measures used to monitor progress with a specific literacy skill. They are designed to be administered up to every two weeks in order to know whether intervention instruction is working or needs to be intensified or adjusted.

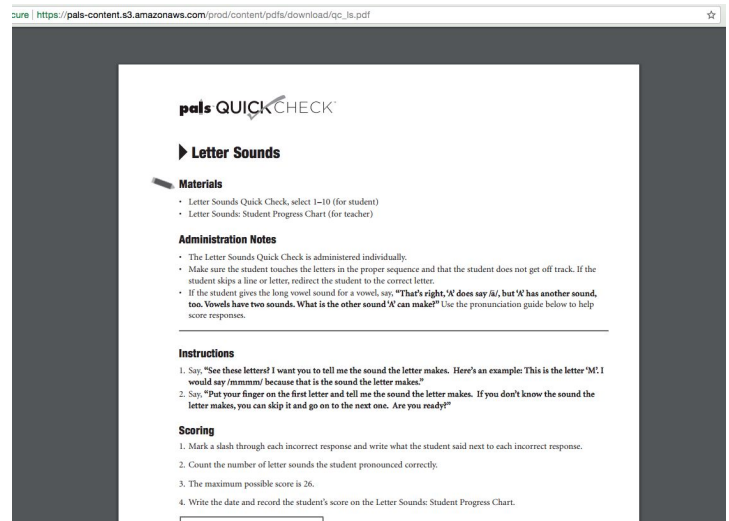

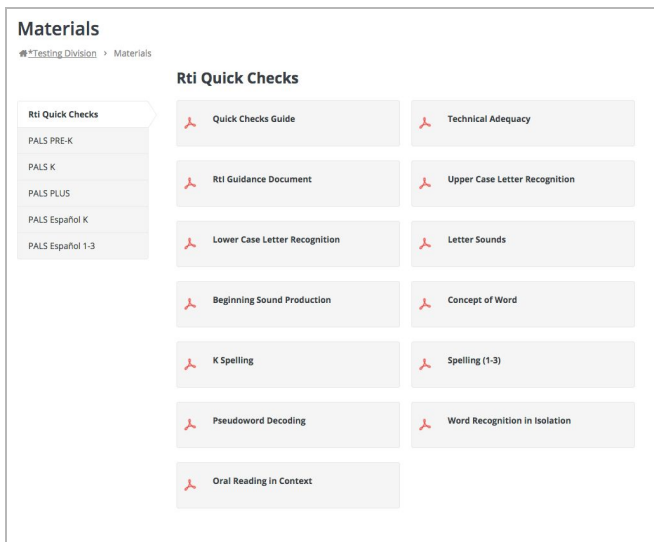

Where are the Quick Check Assessments?

To download and print the Quick Check materials, log into your PALS Online account and go to your [Materials](#) page:

On the Materials page under “Rti Quick Checks,” click on the skill you want to assess. (You can also find a Quick Checks Guide, Rti Guidance Document, and Technical Adequacy links in this section):

You’ll see a PDF document that includes instructions for administering the Quick Checks for this skill:

Scroll down further to see the assessment materials that the students see...

How do I enter Quick Check scores for a student?

You can enter results for each Quick Check while you assess, using your PALS Online account, over the course of the school year; they are not cleared at the end of the fall and mid-year assessment windows.

Navigate to the Teacher Home Page for the student's class, and click on "RtI Quick Check":

You'll see your list of students, and basic instructions:

Astudent KPractice	<p>Instructions</p> <ol style="list-style-type: none"> Download the Quick Check materials from the "Materials" section. Print the pages that pertain to the literacy skill that you are progress monitoring for this student. Click on the student's name to the left. This will take you to the Quick Checks score entry page for this student. Scroll down to locate the literacy skill you're assessing. Each task group will be collapsed by default. Important: To access the quick checks click the down arrow icon in the far right corner. This will expand the collapsed task group panel. Click on "Quick Check 1" or the first one that has not yet been administered in the sequence. Enter scores, set the correct date, and click "Save Scores." That's all! <p>Assessment Key</p> <p>Look for the correct icon to appear next to the student's name on the class list. Rectangular icons indicate ID status, Exempt Status, or Non-standard status and will appear to the right of the student's name.</p> <div style="display: flex; justify-content: space-around; font-size: small;"> <div style="text-align: center;"> ID'd</div> <div style="text-align: center;"> Nonstandard</div> <div style="text-align: center;"> Exempt</div> </div>

You'll see the letters in the order that they appear on the Quick Check materials that you printed. Click on each letter to score as the student responds, enter any observations in the "Comments" section, and then click "Save Scores."

Click on a letter until it turns red to mark as "incorrect." You have the option to enter the student's response.

Click on "SC" if the student self-corrected, and the letter will turn green again.

After you click "Save," you'll see the score recorded on the Quick Check task list.
