Shipping Notice

Shipping is based on weight of materials. In year one, when Teacher Sets are being ordered for the first time, shipping costs incurred are greater. In year two and beyond, fewer materials are ordered, so shipping costs decrease.

Step 1: Select Your Customer Status Steps 1, 2 & 3 are required.

Ordering for the first time?

You are eligible to receive free materials based on the number of student licenses purchased: 1 Teacher Set for every 20 student licenses and 1 Consumable Set for every 25 students.

NOTE:

- Teacher Sets are **REQUIRED** for PALS administration. They are not available for download.
- Consumables Sets are **OPTIONAL**. Why? We encourage our customers to enter scores online, "on the go," to save time and money!
- Consumables are also available through the PALS Online System. Once your account is activated, you can download the forms.
- Each purchased consumable set includes materials for 25 students for both fall and spring administration.
- The Midyear materials are only available via download from the online system.

Renewing?

- You are eligible to replace lost or damaged teacher sets in limited quantities. Shipping charges still apply.
- Teacher Sets are **REQUIRED** for PALS administration. They are not available for download.
- Consumables Sets are **OPTIONAL**. Why? We encourage our customers to enter scores online, "on the go", to save time and money!
- Consumables are also available through the PALS Online System. Once your account is activated, you can download the forms.
- Each purchased consumable set includes materials for 25 students for both fall and spring administration.
- The Midyear materials are only available via download from the online system.

Step 2: Select Your Package: We offer two packages: **Base & Premier** (One package per district)

- PALS Base includes the PALS Online system, print materials, Electronic Lesson Plans, instructional resources, online training tutorials, and phone and email support.
- The best PALS deal! Includes Base package PLUS monthly topical webinars, personalized support from PALS literacy specialists, in-depth literacy-related courses, and implementation support from the PALS team.

Select the package you would like us to quote:

If left blank, our office will calculate based on number of new student licenses purchased.

Step 5: Let us know if you are interested in training! - OPTIONAL

Our PALS online system contains basic tutorials that are available to all PALS users. These tutorials provide an overview of how to administer PALS, enter scores in the on-line system, and interpret PALS data in order to plan differentiated literacy instruction. If you would like to offer additional training to your staff, you may speak with a PALS Literacy Specialist to discuss your training needs and possible topics and dates.
