

PALS Division and School Reports

	Division Reports		School Reports		Report Description
Implementation Status / Management					
Last Year's Account Information	X		X		List of PALS users that includes email addresses and titles of all users within the division or school for the prior assessment year
Current Account Information	X		X		PALS user breakdown that includes email addresses and titles of all users within the division or school for the current assessment year, and the number of students screened and assessed in each class for the current window.
PALS (English) Assessment in Progress	X		X		Table of all schools in the division or all grades in the school, with the number of students that have not been screened and not fully assessed
Transfer Request Status	X		X		Summary of transfer requests for current assessment year
PALS (Español) Assessment in Progress	X		X		Table of all schools in the division or all grades in the school, with the number of students that have not been screened and not fully assessed
Assessment Results - Current Window					
PreK District Summary	X				Table of overall range, mean, median, and mode for all of the district's PreK student scores, for the current assessment window
PALS District Progress Per Task (all grades)	X				Table of overall range, mean, median, and mode for all of the district's PreK student scores, for the current assessment window, broken down by task
PALS Nonstandard Remote Administration	X				
PALS-PreK School Progress Per Task			X		Table of overall range, mean, median, and mode for all of the school's PreK student scores, for Fall, Winter, and Spring assessment windows, broken down by task

PreK School Summary Report - Spring			X		Table of overall range, mean, median, and mode for all of the school's PreK student scores for the Spring assessment windows, broken down by task
PreK School Summary Report - Mid-Year			X		Table of overall range, mean, median, and mode for all of the school's PreK student scores for the Mid-Year assessment windows, broken down by task
PreK School Summary Report - Fall			X		Table of overall range, mean, median, and mode for all of the school's PreK student scores for the Fall assessment windows, broken down by task
K-8 School Summary			X		This report lists scores for all students in the selected grade level at the school.
PALS K-8 Summary of ID'd Students (By Grade)	X		X		A list of students in the school who have been identified within the past year (lists are per grade level).
School COW Report			X		A list of Concept of Word scores for students in each grade (K-8) who have been assessed using COW
Disaggregated Data (By Grade)	X		X		A report of ID status of students in one grade, separated into gender, ethnicity, race, disability, and services
Disaggregated Data (View All)	X		X		A report of ID status by grade, separated into gender, ethnicity, race, disability, and services (shows all grades)
PALS Español K-3 Summary of ID'd Students	X		X		A list of students in the school who have been identified within the past year (lists are per grade level)
Español Disaggregated Data (By Grade)	X		X		A report of ID status of students in one grade, separated into gender, ethnicity, race, disability, and services
Español Disaggregated Data (View All)	X		X		A report of ID status by grade, separated into gender, ethnicity, race, disability, and services (shows all grades)
Assessment Results - History and Growth					
Division History Report	X				A report of students (# screened, # fully assessed, # identified, percentage of ID'd) for the district for all previous testing windows

School History			X		A report of students (# screened, # fully assessed, # identified, percentage of ID'd) for the school for all previous testing windows
Español School History			X		A report of students (# screened, # fully assessed, # identified, percentage of ID'd) for the school for all previous testing windows
PreK District Summary Report - Spring	X				Table of overall range, mean, median, and mode for all of the district's PreK student scores for the Spring assessment windows, broken down by task
PreK District Summary Report - Mid-Year	X				Table of overall range, mean, median, and mode for all of the district's PreK student scores for the Mid-Year assessment windows, broken down by task
PreK District Summary Report - Fall	X				Table of overall range, mean, median, and mode for all of the district's PreK student scores for the Fall assessment windows, broken down by task
Cohort Report (Spring only)	X		X		A line graph that shows the number of students, within a cohort, who were identified during spring of the previous year and during spring of the current year
Español Division History Report	X				A report of students (# screened, # fully assessed, # identified, percentage of ID'd) for the district for all previous testing windows
Other					
Data File Download	X		X		A .csv file of data for the entire district or school for the selected assessment window and year. This includes students' demographic information, as well as their scoring information. The explanation of data fields can be found under this tab as well. ○ This file can be downloaded for Fall (f), Mid-Year (m), and Spring (s) testing windows.
PALS Teacher Reports					
Class Reports	Available for PALS English?		Available for PALS español?		Report Description

PALS Assessment in Progress (K-8 only)	X		X		This report shows which tasks have been given to students who have not yet been completely assessed for the current screening window.
Class Summary - Fall, Mid-Year, and Spring	X		X		This report shows scores on all tasks for all students in a class, for one assessment window. It can be sorted by last name and by each task.
Class Uppercase Alphabet Recognition - Fall, Mid-Year, and Spring (PreK only)	X				This report shows which uppercase letters were correctly identified by each student in a class, for one assessment window.
Class Alphabet, Digraph, and Letter Sound Knowledge - Fall, Mid-Year, and Spring			X		This report shows which Spanish letters, digraphs, and letter sounds each student in a class can correctly identify, for one assessment window.
Class COW Report - Fall, Mid-Year, and Spring	X		X		This report shows scores on each of the Concept of Word (COW) subtasks for all students in a class, for one assessment window.
Class Alphabet and Letter Sound Knowledge - Fall, Mid-Year, and Spring	X				This report shows which letters and English letter sounds each student in a class can correctly identify, for one assessment window.
Class Performance by Task - Fall, Mid-Year, and Spring	X		X		This report shows each student's Summed Score and their scores on the tasks that are used to calculate the Summed Score, for one assessment window. Identified students appear at the top of the report.
Class Performance by Task - Back to School	X				This report shows each student's Summed Score and their scores on the tasks that are used to calculate the Summed Score, for the previous spring assessment window. Identified students appear at the top of the report.
Class Reading Levels - Fall, Mid-Year, and Spring	X		X		This report shows the instructional oral reading level (IORL) for each student, for one assessment window. Both the Word Recognition in Isolation (WRI) and Oral Reading in Context (ORIC) scores are taken into account to determine IORL's.
Class Spelling/Phonics Knowledge - Fall, Mid-Year, and Spring	X		X		This report shows the scores for each spelling/phonics feature, for each student in a class and for one assessment window. It also shows the total spelling score and each student's spelling stage. The report can be sorted by spelling feature.

Targeted Intervention by Skill - K only	X		X		This report shows all students who scored below the benchmark or Mid-Year Developmental Range, and their scores, for each PALS-K task.
Student Reports	Available for PALS English?		Available for PALS español?		Report Description
Student Portfolio	X				This portfolio report includes the following component reports: Student Summary, Alphabet Recognition and Letter Sounds (Plus), Student Concept of Word History (K and Plus), Individual Task Growth (PreK and K), Item Level Report (PreK), Individual Instructional Oral Reading Growth (Plus), Individual Student Spelling/Phonics (Plus), and Student Score History.
Student Summary	X		X		This report shows all scores entered for a student, for any assessment window during the current school year.
Student Summary (view all)	X		X		This report shows the Student Summaries for all students in the class at once. Each individual summary will print on its own page(s).
Student Summary of Comments/ Observations	X		X		This report shows all comments that were entered into the comments boxes for each individual task for this student.
Student Summary, Spanish translation - K-8 only	X		X		This report is a Spanish translation of the Student Summary.
Student Summary, Spanish translation - K-8 only (view all)	X		X		This report shows the Spanish translations of the Student Summaries for all students in the class at once. Each individual summary will print on its own page(s).
Parent Letter - PreK only	X				This report is a letter to PreK families that explains the PALS-PreK scores and shows the student's scores on each task, for all assessment windows.
Parent Letter - PreK only (view all)	X				This report shows the PreK Parent Letters for all students in the class at once. Each letter will print on its own page(s).
Parent Letter, Spanish Version - PreK only	X				This report is a Spanish translation of the PreK Parent Letter.

Parent Letter, Spanish Version - PreK only (view all)	X				This report shows the Spanish translations of the PreK Parent Letters for all students in the class at once. Each letter will print on its own page(s).
Student Alphabet and Letter Sound Knowledge - Fall, Mid-Year, and Spring	X				This report shows which English letters and letter sounds a student in a class can correctly identify, for one assessment window.
Student Alphabet and Letter Sound Knowledge - Fall, Mid-Year, and Spring (view all)	X				This report shows all of the Student Alphabet and Letter Sound Knowledge reports for all students in the class at once. Each report will print on its own page(s).
Student Alphabet, Digraph, and Letter Sound Knowledge - Fall, Mid-Year, and Spring				X	This report shows which Spanish letters, digraphs, and letter sounds a student in a class can correctly identify, for one assessment window.
Student Alphabet, Digraph, and Letter Sound Knowledge - Fall, Mid-Year, and Spring (view all)				X	This report shows all of the Student Alphabet, Digraph, and Letter Sound Knowledge reports for all students in the class at once. Each report will print on its own page(s).
Running Records	X			X	This report shows the running records for each passage that a student was given in one assessment window.
Running Records (view all)				X	This report shows all of the running records for all students in the class at once. Each student's report will print on its own page(s).
Student COW History	X			X	This report shows the scores for each time the Concept of Word (COW) task has been administered to a student.
Student COW History (view all)	X			X	This report shows all of the Student COW History reports for all students in the class at once. Each student's report will print on its own page(s).
Individual Task Growth (PreK and K only)	X			X	This report shows bar graphs for each task that compare a student's scores on that task for each assessment window.
Individual Task Growth - view all (PreK and K only)	X				This report shows all of the Individual Task Growth reports for all students in the class at once. Each student's report will print on its own page(s).

Student Growth: Oral Reading	X		X	This report shows a graph with a student's Instructional Oral Reading Level (IORL) for each assessment window in which the Oral Reading in Context task was administered. It also shows the Words Per Minute (WPM), Fluency, and Comprehension scores for the passage corresponding to the student's IORL.
Student Growth: Spelling/Phonics	X		X	This report shows the Spelling/Phonics Features scores for each assessment window in which the Spelling Inventory task was administered. Scores are color-coded green (for a score of 0 or 1, meaning that spelling feature is absent), blue (for a score of 2 or 3, meaning the student is using but confusing that spelling feature), or yellow (for a score of 4, meaning that the student's use of that spelling feature is correct).
Optional Spelling Inventory (1-3) - grades 4-8	X			This report shows Spelling/Phonics Feature scores for each assessment window in the current year in which the student was administered the PALS 1-3 Spelling Inventory as an optional task.
Student Score History	X		X	This report shows scores for all assessment windows in any year in which a student was administered PALS.
Student Score History (view all)	X		X	This report shows all of the Student Score History reports for all of the students in the class at once. Each student's report will print on its own page(s).
