Reminders and Tips

- Giving PALS remotely this spring? Go to the *REMOTE RESOURCES* tile from your home page to find everything you need to give PALS-PreK, PALS-K, PALS Plus, and the PALS español products remotely, with the exception of the Concept of Word task and the Print and Word Awareness task.
- Ready to renew PALS for the 2021-22 school year? If you haven't received one already, look for a renewal quote from us to be emailed to your PALS district representative before the end of this month. Feel free to contact us at support@palshelp.com if you would like your quote earlier or if you have any renewal questions.
- Remember that you will have access to your PALS Online account until June 30, 2021. You will be able to enter scores, download data files, and print or save PDFs of 2020-21 reports until that date.
 - *Please note that all data files continue to be available for as long as you renew your PALS licenses.*
