Reminders and Tips

- Logging in to your [PALS Online System](#) account for the first time this year? Read through our [login troubleshooting tips here](#) if you encounter any issues.
 - Returning administrators will be able to log in as soon as your district has renewed PALS for this year.
 - Teachers can log in as soon as they are assigned a 2022-23 class in the online system by an administrator or via Student Data Upload.
- If you are in need of a refresher on how to administer PALS, view the administration tutorials located in your PALS Online account. Look for Tutorials in the left-hand sidebar in your online account.
- If your district purchased the Premier subscription package for this school year, your district representative has received an email with instructions for accessing the [PALS Professional Development website](#), and you will receive monthly email invitations to all of our Premier webinars throughout the year.*

**Illuminate Education no longer offers additional PALS on-site trainings or webinars for purchase. School districts who are looking for training beyond what is already available via the PALS Administration tutorials in your PALS Online accounts are encouraged to upgrade to the Premier subscription in order to have access to the [Premier Monthly Webinar series](#) and to the [PALS Professional Development website](#).*
